

HONORING
THE OLIVE BRANCH SCHOOL PRESERVATION SOCIETY
FOR OUTSTANDING ACHIEVEMENT

On behalf of the members of the Senate of the 128th General Assembly of Ohio, we are pleased to pay tribute to the Olive Branch School Preservation Society on the inclusion of the Olive Branch Little Round School in the National Register of Historic Places, celebrated January 17, 2010.

The inclusion of the Olive Branch Little Round School in the National Register of Historic Places is an auspicious event, for this site holds an important place in Ohio's history. By securing this distinction, all those affiliated with Olive Branch School Preservation Society have certainly distinguished themselves as conscientious and responsible citizens devoted to preserving our state's vibrant history.

In this modern era, in which the durability of goods and values is often measured in months and days rather than in years and decades, it is not only enlightening but also satisfying to discover that some representations of the past still stand for future generations as a record of, and a monument to, previous achievements. The Olive Branch School Preservation Society has certainly made positive contributions to the State of Ohio, and the Olive Branch Little Round School will stand as an example of the rich heritage of bygone days.

Thus, with great pleasure, we applaud the Olive Branch School Preservation Society on receiving this national honor for the Olive Branch Little Round School and extend best wishes for the future.
